All Natural Collection

The Falco All Natural Collection brings the beauty of nature to the interiors. The 4 new decors replicate the detail of real wood genuinely. The Top Matt surface structure faithfully imitates the originality of a finely finished wood surface. The Nature Elegance surface structure enhances the beauty of wood by the natural splendour of the wood-grain structures.

Die Falco „All Natural Kollektion“ zaubert Ihnen die Schönheit der Natur in die Innenräume. Die Zeichnung der 4 neuen Dekore ist eine reale Nachbildung der echten Holztextur. Die „Top Matt Struktur“ betont die Echtheit der unbehandelten Holz-Oberfläche. Die „Nature Elegance Struktur“ mit deren kraftvollen Maserung hebt die Naturschönheit des Holzes hervor.

A Falco All Natural kollekcója a természet szépségét varázsolja a belső terekbe. A 4 új dekor rajzolata a valódi fának hiteles másolata. A Top Matt struktúra a kezeletlen fafelület eredetiségét hangsúlyozza. A Nature Elegance struktúra pedig erőteljes barázdáival a fa természetes szépségét emeli ki.
